

BAREFOOT 7s Rugby

Thursday 23 May 2024

11am – 2.00pm. (Departing at 10am)

We are looking at organising some Napier Central teams to compete at the Barefoot 7s Tackle Rugby tournament in Hastings at Akina Park.

Those children who have permission will be weighed and organised into teams depending on how many would like to participate. It's a fun afternoon of 3-4 games and we should be back by 3pm. Players will need mouth guards and shorts. We will use the school sports shirts as tops.

If your child has permission **please register them through the school website before Friday 9 May** so teams can be organised and weights checked. www.napiercentral.school.nz/sport

We will require your assistance with transport and managing the teams.

Regards

Ross McLeod
